

**Agreement
for the appropriate re-stamping of materials
and products for marine equipment and structures according to
Lloyd's Register Rules and Regulations for the Classification of Ships**

Between the company:

**Ostseestaal GmbH & Co. KG
Am der Werft 17
18439 Stralsund, Germany**

and

**Lloyd's Register EMEA
Überseeallee 10,
20457 Hamburg, Germany**

is agreed that the following employees are entitled for the re-stamping of materials with quality certificates by Lloyds Register Rules and Regulations, Part2, Ch.1 and in dependence on EN 10204:

Name	Abt.	Stempelzeichen
Olaf Lietzow	Zuschnitt	OS 1
Tobias Ruh	Wareneingang	OS 2
Martin Griese	Wareneingang	OS 3
Uta Potratz	Einkauf	OS 4
Stephanie Saß	QS	OS 5
Olaf Becker	QS	OS 6

For:

- Marking/stamping of material samples intended for testing
 Transfer of ID markings during the production process

The agreement requires a check of the identity of the material/blanks against the related certificates and compliance with the applicable Lloyds Register Rules and Regulations, Part2. The ID markings must be transferred prior to removing the original ID marking. The ID marking transfer to be validated by the entitled employee by adding his personal stamp.

For the transfer of ID markings of material with quality certificates according to EN 10204 / 3.2 which are not certified by Lloyd's Register, a specific approval by Lloyd's Register Hamburg and the certifying society of the 3.2 certificate need to be obtained.

For a complete traceability of the material/blanks, an ID marking transfer record needs to be completed for each re-stamping.

This ID marking transfer record shall include at least:

- Quality and size of the raw material
- batch/sample no.
- manufacturer and name of fabricating works
- makers certificate no.
- number of blanks and their dimensions
- date of re-stamping
- applied ID markings
- personal stamp of entitled employee

The ID marking transfer record and original material certificates must be presented at the final acceptance and certification.

Changes in company structure, QC processes or in the entitled persons need to be communicated to Lloyd's Register EMEA, Hamburg without delay.

This agreement is valid for five years until 02.06.2025 and subject to annual verification.
