# who we are

## Your Solution Provider

We have been manufacturing high-quality building packages, ship doors and other components for mega yachts, special vessels, and naval vessels for over 25 years.

At our Stralsund site, we have all the necessary manufacturing processes in hand. We are your one stop shop for doors & hatchsystems.

## Vision and mission

Unlocking the potential of tomorrow,  
our vision is to create a world where  
innovation knows no bounds.

Vision: Be the most committed and reliable team to provide customers with the most pleasant customer experience and with the best quality products and services.

Mission: Be the internationally most competitive and best valued partner in marine modular door and hatch systems for luxury yachts and special vessels.
